LITHOGRAPH

The cost of the lithograph is going to be $900. It is not known whether the Medora Foundation will cover this total expense. The lithograph is to be signed by the Governor and given to all cars 1919 and older. Cars newer than 1919 will receive the lithograph but it will not be signed by the governor.

SPECIAL MOTOR VEHICLE CERTIFICATE

Cars that were at one time registered in North Dakota, taken out of state and return for the car show will receive a special certificate. This certificate cost will be covered by the ND Motor Vehicle department. John Sullivan is coordinating this with Keith Keiser and Jerry Peterson, both from the NDMVD.

OTHER
